GARDEN SCHOOL NEWS

Well what a week with the rain, rain and more rain. I am so hopeful that next week will be sunny and warm. Our yard is extremely wet and muddy so if your child has a pair of rubber boots please have them wear them to school. Here's to May flowers soon.

We have decided to move the quiet lunchroom into Rm 104 for the rest of the year. If you know that your child uses this room at lunch please let them know about the room change. We will be letting students know at school as well.

Placement meetings will be beginning next week. Please understand that a great deal of time and consideration will be devoted to deciding about each and every student placement. However, if you feel that there is important additional information that should be considered when we are placing your child please do let me know in writing by Tuesday May 9th.

Our lost and found is beginning to pile up, again. Please do make sure you take a look in the lost and found to claim any of your missing items. The lost and found is located at the North East exit of the school.

Ms. Hardy

With integrity, you have nothing to fear, since you have nothing to hide.

With integrity, you will do the right thing, so you will have no guilt.
