GARDEN SCHOOL NEWS

We are so pleased to let everyone know that Garden has been selected to receive a new **bike rack** in the 2017/18 school year! The installation of bike racks will occur in the spring of 2017. Thank you to Mr. McClure and his Eco team for their hard work completing the application process.

Unfortunately our wonderful strings iterant, Meghan Cheng, has had to relinquish her hours at our school due to other commitments. The TDSB has posted the position but we have yet to hear who will be supporting our schools with the strings program this year. Stay “tuned” for more information as soon as it is available.

Please continue to bring in nonperishable food items for our Garden Food Drive. We are hoping to collect a record amount of food and goods for the Daily Food Bank. Pickup will be on Friday October 20th.

Ms. Hardy
